Positive Animal Rabies Case

This is the 15th case for Kerr County in 2016

Animal Submitted: Skunk

Date of Incident: 4/4/2016

Where: 100 Block of Rough Creek, Mountain Home

How: A resident was alerted to a skunk on their property by their dog. In the process of investigating the disturbance another dog proceeded to the location of the barking and the two dogs isolated the skunk. The resident then dispatched the skunk and notified Kerr County Animal Services the Local Rabies Control Authority. The skunk was contained and submitted for testing on 4-5-16. The positive results were received 4-6-16. As required by Texas Health and Safety Code the vaccinated dogs are undergoing a 45 day isolation.
