

ORDER OF THE EASTERN STAR

This chapter was organized in 1896 with 21 charter members and is the sister organization to the Kerrville Masonic Lodge #697, which was chartered in 1890. Two members have held the highest office at State level. While not associated with denominations of any church this organization supports the work of the Grand Lodge in its religious training programs. This chapter has helped maintain a home for the aged members and has served this community for over 100 years in charitable and outreach work. (1996)
